If this application is approved, unless otherwise directed, a letter via email will be sent to the person receiving the scholarship. You will receive a phone call if email is not available. Please do not send in your reservation form until after you have received your awarded scholarship. Your completed reservation form should then be mailed TO THE REGISTRAR stating you are a scholarship recipient and which plan was awarded. You may not hear from us before April 1 or shortly thereafter. Because our fund is limited, we are likely to wait until the deadline has been reached to award scholarships. To help the Scholarship Committee make a fair decision, please explain why this assistance is needed:
